

# Sandstorm 4 Extreme Tank Bag

SKU: LUTA-009

## Description

**ENDURISTAN SANDSTORM 4 eXtreme motorcycle tank bag** for adventure or trail riders that don't like tankbags but really need something in front that is safe, secure, waterproof and dustproof for carrying those essentials or valuables!

### PROTECTION

If you go on extreme trips, this is the tankbag for you. While the Sandstorm 4X protects your most essential items from water and dust, it keeps a low profile and doesn't get in your way under even the most extreme offroad riding.

### ACCESSORIES

Deluxe Shoulder Strap with premium ergonomics

Additional set of rear fastening buckles: If you own more than one bike, attach a set of connecting buckles on each of them for simplicity and comfort.

Additional front fastening strap for your second bike: Install it once, never bother about adjustments again.

## Features
